Troup County Announces Children's Book Drive

Troup County, Ga. October 12, 2018 – Troup County will be launching a children's book drive on Monday, October 15, 2018 as a part of their United Way donation campaign. The book drive will benefit The Jungle Bus in LaGrange, Georgia, a Bookmobile that serves children of Troup County.

The County is warmly welcoming donations from the public and will be accepting new and gently used children's books for infants, toddlers, and children up to a third grade reading level. There will be a donation site located on the first floor of the Government Center across from the elevators at 100 Ridley Avenue, LaGrange, GA 30240.

The Jungle Bus, a joint effort program from the United Way Success by Six program and the Troup County School System Title One program, strives to increase early learning awareness in children by delivering books to neighborhoods across Troup County. Their mission is to enable children to read on grade level by the end of the third grade. To date, The Jungle Bus has donated approximately 3,500 books into the hands of children across Troup County.

Troup County's book drive for The Jungle Bus will continue for one month and donations will be accepted until November 15, 2018.
